

Gilwern Primary School **A Rights Respecting School** **School Council say:**

Pupils at Gilwern Primary know:

We have the Right to come to school.

We know we have the Right to be safe and looked after.

Bullying takes away those Rights. It is not tolerated in our school.

Our definition of bullying is:

“Bullying is unkind behaviour towards someone else, over a period of time. It can include hurting people physically, ‘having a go’ at people to make them feel bad, or cyber-bullying (sending hurtful messages over the internet.)”

On Monday 15th May 2017 School Council stated that bullying was not a problem at Gilwern School but agreed a policy was important to ensure this good situation remains.

Nurture Empower Achieve

Our anti-bullying policy

- If you feel you are being bullied, get help from a friend. Friends can stand by someone who is being bullied. (Peer mediators are used at our school when they are needed.)
- Tell a teacher. We expect our teachers to:

Be interested.

Take action against the bully.
