

## Class Dojo

Class Dojo is an educational technology communication app and website. It connects primary school teachers, students and families through communication features, such as a feed for photos and videos to share Learning experiences from Throughout the day. Parents can message teaching staff which can be translated if required to support home-school learning. Each learner is provided with a profile to share their experiences and achievements which can be reward individually, in groups or as a class achievement..

## Home and Blended Learning @Gilwern Primary School

*We are encouraging all learners to engage in activities to develop and enhance their learning dispositions through Home-School Learning Links. We have a plethora of platforms to support our learners.*

*Blended learning is an approach to education that combines online educational materials and opportunities for interaction online with traditional place-based classroom methods. It requires the physical presence of both teacher and student, with some elements of student control over time, place, path, or pace.*

*We encourage our learners to become independent, facilitating the four purposes of the curriculum for Wales. Here are a variety of online programmes to support learners within our organisation. Please contact staff if you require further information.*

## Padlet

Padlet is an application to create an online bulletin board that you can use to display information for any topic. There are 8 layouts to choose among. Read about the various layout options here. Easily create an account and build a new board
