Dear Families,

As we come to the end of the Autumn Term, we would like to take this opportunity to thank you all for your continued support. Your encouragement, involvement, and partnership have been invaluable not only throughout this first Autumn Term, but across the whole of 2025.

Our school community is at the heart of everything we do, and it is through working together that we are able to provide the best possible experiences for our learners. The strong sense of community we share makes our school a welcoming, supportive, and inspiring place for everyone.

We would like to wish you and your families a very Merry Christmas, filled with joy, warmth, and special moments together. Thank you once again for your ongoing support, and we look forward to continuing our journey together in the year ahead.

Parenting Workshops

Starting on Tuesday 20th January and running for a further 3 consecutive Tuesdays we are offering a practical parenting course run by Monmouthshire Acorn staff. They are a great team that collaborate with school and parents to support the development of the whole child. These workshops are currently open to Reception and Year 1 parents. It's all about helping you feel confident as a parent, building strong and positive relationships with your child, and supporting their social and emotional development. Together, we'll explore practical strategies to help you to support your child.

Sessions include:

The importance of play
Descriptive and academic emotional coaching
Social and emotional coaching
Praise and rewards
