## NURTURE EMPOWER ACHIEVE

### Gilwern Primary School

#### Pupil Acceptable Use Agreement (AUA) – for older pupils

(KS2 Year 4-6)

#### School Policy

Digital technologies have become integral to the lives of children and young people, both within schools and outside school. These **technologies are powerful tools**, which open up new opportunities for everyone. These technologies can stimulate discussion, promote creativity and stimulate awareness of context to promote effective learning. **Young people should have an entitlement to safe internet access at all times.**

This Acceptable Use Agreement is intended to ensure:

- that young people will be responsible users and stay safe while using the internet and other digital technologies for educational, personal and recreational use.
- that school systems and users are protected from accidental or deliberate misuse that could put the security of the systems and users at risk.

The school will try to ensure that pupils will have good access to digital technologies to enhance their learning and will, in return, expect the **pupils to agree to be responsible users.**

#### Acceptable Use Agreement

I understand that I must use school ICT systems in a responsible way, to ensure that there is no risk to my safety or to the safety and security of the ICT systems and other users.

For my own personal safety:

- I understand that the school will **monitor** my use of IT systems, devices and digital communications.
- **I will keep my username and password safe and secure** – I will not share it, nor will I try to use any other person's username and password. I understand that I should not write down or store a password where it is possible that someone may steal it.
- I will be aware of “**stranger danger**”, when I am communicating on-line.
- **I will not disclose or share personal information** about myself or others when on-line (this could include names, addresses, email addresses, telephone numbers, age, gender, educational details, financial details etc )

- I will **immediately report** any unpleasant or inappropriate material or messages or anything that makes me feel uncomfortable when I see it on-line.

I understand that everyone has equal rights to use technology as a resource and:
